

You may supplement electronic submissions by uploading document files electronically. If you wish to mail additional materials in reference to an electronic or facsimile submission, you must submit them to the OSHA Docket Office (see the section of this notice titled **ADDRESSES**). The additional materials must clearly identify your electronic comments by your name, date, and the docket number so the Agency can attach them to your comments.

Because of security procedures, the use of regular mail may cause a significant delay in the receipt of comments. For information about security procedures concerning the delivery of materials by hand, express delivery, messenger, or courier service, please contact the OSHA Docket Office at (202) 693-2350 (TTY (877) 889-5627).

Comments and submissions are posted without change at <http://www.regulations.gov>. Therefore, OSHA cautions commenters about submitting personal information such as social security numbers and date of birth. Although all submissions are listed in the <http://www.regulations.gov> index, some information (e.g., copyrighted material) is not publicly available to read or download through this Web site. All submissions, including copyrighted material, are available for inspection and copying at the OSHA Docket Office. Information on using the <http://www.regulations.gov> Web site to submit comments and access the docket is available at the Web site's "User Tips" link. Contact the OSHA Docket Office for information about materials not available through the Web site, and for assistance in using the Internet to locate docket submissions.

BILLING CODE 6820-MA-P

EXECUTIVE OFFICE OF THE PRESIDENT

Office of National Drug Control Policy

High Intensity Drug Trafficking Areas; Petitions for Designation

AGENCY: Office of National Drug Control Policy.

ACTION: Notice.

SUMMARY: Pursuant to the Office of National Drug Control Policy Reauthorization Act of 2006, Public Law 109-469, section 707(c), the Director, National Drug Control Policy is establishing regulations under which interested coalitions of law enforcement agencies from an area may petition for designation as a high intensity drug trafficking area.

Public Comment: On June 4, 2007 (Volume 72, Number 106, Notices Page 30862-30864), the Executive Office of the President, Office of National Drug Control published Notice of its intent to issue this regulation. A 60-day public comment period was established. The June 4 Notice stated that any written comments must be received by ONDCP via electronic mail or facsimile on or before August 3, 2007. In addition, an ONDCP staff point of contact was listed to provide additional information as appropriate. ONDCP did not receive any comments. Therefore, ONDCP is issuing this Notice of the agency's intent to publish a regulation identical to the document published on June 4, 2007.

SUPPLEMENTARY INFORMATION: The Anti-Drug Abuse Act of 1988, the ONDCP Reauthorization Act of 1998, and the ONDCP Reauthorization Act of 2006 authorize the Director of the Office of National Drug Control Policy (ONDCP) to designate areas within the United States that exhibit serious drug trafficking problems and harmful impact of other areas of the country as High Intensity Drug Trafficking Areas (HIDTA). The HIDTA Program provides federal resources to those areas to help eliminate or reduce drug trafficking and its harmful consequences. Law enforcement organizations within HIDTAs assess drug trafficking problems and design specific initiatives to reduce or eliminate the production, manufacture, transportation, distribution, and use of illegal drugs and money laundering.

When designating a new HIDTA or adding counties to existing HIDTAs, the Director of ONDCP consults with the Attorney General, Secretary of Homeland Security, Secretary of Treasury, heads of national drug control agencies, and the appropriate governors, and considers the extent to which—

(1) The area is a significant center of illegal drug production, manufacturing, importation, or distribution;

(2) State, local, and tribal law enforcement agencies have committed resources to respond to the drug trafficking problem in the area, thereby indicating a determination to respond aggressively to the problem;

(3) Drug-related activities in the area are having a significant harmful impact
